Gorgeous 2019 custom built home in desirable Upper Mission! There is a breezeway to the double garage and a studio suite above the garage with a kitchenette and 3pc bathroom! Perfect for extended family or an Artist's studio or home based yoga business. The main home has a fabulous window package to maximize the natural light, a great room with cozy fireplace in the living room and a well laid out kitchen and island for entertaining. Master bedroom has a stunning view and ample space for a king size bed and dressers. Decadent 5pc ensuite and great walk-in closet. 2 more bedrooms in the basement level with a full bathroom and family room. Sliding glass door out to the patio and pool deck. The options are endless. Spectacular lakeviews & views of Mission Hill Winery and the vineyards in West Kelowna. The inground salt water pool and deck is a luxurious oasis - a perfect home style resort! For the gardeners, there are plenty of raised beds for growing your own vegetables with southwest exposure. Walk your kayak or paddle board out the back of the property to beach access on Okanagan Lake. For dog owners, idyllic Cedar Creek dog park & beach is only a short walk from your front yard. Surrounded by multi-million dollar homes & only a 5 min drive to all the amenities in the Lower Mission. (id:7434)
