3 Bedrooms | 3 Bathrooms | 2,378 Sqft

Centrally located, like-new luxury home with an open concept main living, main floor master suite and fabulous outdoor space. This immaculate property boasts wide-plank hardwood, two storey ceilings and beautiful natural light creating the perfect living space. The chef's kitchen is equipped with quality appliances, white shaker cabinetry and a large island flowing to the dining and living space with a fireplace and soaring two storey ceilings. The king-sized master bedroom boasts a spa-inspired ensuite with a double vanity, soaker tub, quartz, modern tile flooring and a walk-in rain shower. A second bedroom or den/office is also found on the main floor plus a guest bathroom and laundry room. Upstairs, enjoy the mountain views from the lofted, multi-purpose recreation space. Two more generous sized bedroom and a full bathroom complete the interior. The fully fenced outdoor space will be sure to impress with a large concrete patio ideal for entertaining bordered by professionally maintained green space & landscaping. Double oversized garage and driveway parking. Live a lock and leave lifestyle, only minutes to Mission Creek Greenway, shopping, Mission Creek Golf Club and much more! (id:33366)
