

Lot 1 Kitchener Rd
Kitchener, Kitchener V0B 1W0

Powered by homes.kelownacapnews.com

MLS# 2456353

\$250,000

4.52 acres of land in Kitchener. This property invites the beauty of nature, perfect spot for a small hobby farm, plant nursery, your dream home, accessory buildings or structures, endless possibilities. Picturesque setting and a gardener's dream. Minutes to the US Border, between Creston & Yahk. Beautiful and private, partially treed, flat level acreage with mountain views. Gas & Power at Lot Line. Buyer to Drill Well. R2 Zoning allows for 1 or 2 family dwellings. Not quite ready to build? It would make a great camping or RV spot until you are ready. For more information please contact your local REALTOR(R) (id:2493)
