Welcome to this sought after Wilden property! This stunning 4200sqft 6 bed/5 bath custom home is tucked away on Forest Edge Pl, with open forest and mountain views, giving a private feel within a top Kelowna community. Walk into the expansive living area with 15ft vaulted ceilings, opening to your massive kitchen, with windows spanning the length of the home. The impressive chefs kitchen is equipped with top quality appliances including: built-in electric oven, 5 burner gas stove top, and dual zone wine fridge. Engineered hickory hardwood throughout. Butler pantry provides ample food storage with a full-size fridge. Bedroom also located on the main. Enjoy outdoor entertaining on your huge main floor patio, outfitted with speakers and a natural gas BBQ hookup. Built-in speakers are installed throughout the home. Upstairs has 3 beds/2 baths, including a spa-like master ensuite featuring an oversized soaker tub and a custom tile/glass rain shower. The walkout lower level features a full bathroom, bedroom, gym, and rec room wired for surround sound and projector. Outside, enjoy the lower level patio, natural gas fire pit & water feature in your large, fully fenced back yard. Special features include 3 zone heating/air conditioning, and furnace with built-in UV air purifier. Large 2 car garage with plenty of extra space for storage. 1
