4 Bedrooms | 3 Bathrooms | 2,881 Sqft

Serenity and privacy in the Lower Mission! Dont miss this custom home located on a tree-lined 0.35-acre lot at the end of a quiet cul-de-sac. This lovely home is 2,881 square feet with four bedrooms, a den and three full bathrooms. It has been lovingly cared for and has a number of unique characteristics. As you enter and turn right into the living room you will be captivated by the open feeling of the vaulted ceilings and the floor-to-ceiling brick fireplace. Just go up a couple of stairs to the formal dining room with hardwood floors and the sliding glass doors give a wonderful view of the back yard. The island kitchen has been designed for efficiency, with a gas stove and plenty of counter space. It is open to the nook with a unique L-shaped bench that complements the area perfectly. The bright and spacious family room has a cozy wood stove and is open to the library. There is also a large room in the basement that could easily be converted into so many things, such as a media room or exercise room. This home has a new jetted tub, lots of parking, central vacuum and underground irrigation. Theres more! A little slice of heaven awaits in the back yard. Extremely private with a heated swimming pool, a huge multi-level deck, several areas to sit and relax, and you still have plenty of room for the kids to play. You cannot beat this Mission location close to parks,
