Beautifully updated with \$100k worth of upgrades, this 2 bed/1 bath mobile is in a quiet, little park on the corner of Shannon Lake Road and Old Okanagan. With only a handful of mobiles in this park, this 45+ community is peaceful & quiet. Updates include upgraded insulation in the walls and floors, a spacious new kitchen boasting new appliances, laminate flooring through out, updated bathroom with double sinks & granite counters and fresh paint through out. The roof was redone two years ago at which time new insulation was added & a new furnace plus central air were installed to ensure the home stays cozy and warm all winter and cool in the summer. The spacious living room and master addition were already there before the renovation, but offers tons of extra square footage! A separate electrical sub panel was installed for the kitchen & there are hot tub hookups on the new enclosed deck at the side offering privacy. There is also a second deck at the front which enjoys sunshine all day long! This is the perfect way to enjoy the Okanagan! Call today for your private tour! (id:7434)
