An immaculate, updated home ideal for a family desiring a spacious layout, natural light and a fantastic outdoor space with multiple areas to enjoy. You will be impressed by the notable, big ticket updates throughout. Greeted by soaring 20-foot ceilings, no detail missed, the spectacular open concept primary living space boasts hardwood flooring, specialized window coverings, new tile and a custom kitchen. The living and dining space flow seamlessly welcoming you to enjoy the newer stone fireplace. The completely renovated kitchen is equipped with a large island, custom cabinetry and hand picked lighting. The den or office overlooks the front porch and is a great multi-functional space. Thoughtfully designed, the main floor holds the guest bathroom, and the functional mud room/laundry with new cabinetry and millwork. Updated lighting and carpet upstairs with a lofted landing flooded with natural light. The master bedroom includes a large ensuite with a soaker tub, double vanity and walk-in shower. You'll also find 2 more bedrooms and a full bathroom. The recently finished lower level is the perfect place to entertain or work out. Ideal for a growing family or accommodating guests, there are 2 more bedrooms and a modern bathroom on the lower level. The exterior includes a fenced back yard, green space with a play structure
