Tucked away in Central Kelowna, what was once a zoo is now commonly known as Peacock MHP. This park is walking distance to all amenities including grocery stores, medical clinics and the trails at Mission Creek Park. This must see 2 bed 2 full bath home is fresh and inviting with numerous upgrades including a luxury jetted soaker tub, sparkly updated bathrooms; new heat tape; a 2018 HWT and roof! A big bright entry; an indoor shop and a shed out back makes this perfect for a family looking for an affordable place to call home. The yard is fully fenced. The park allows for pets with restrictions & rentals and is restricted to 19+. This home is offered fully furnished and is ready for you to make yourself at home.
