This property is not only exceptional in quality and design, but boasts a remarkable outdoor oasis with a pool, hot tub, and living area. Offering a fabulous floorplan and boasting panoramic lake and mountain views this property is situated on a quiet laneway minutes to prized schools, Lower Mission shopping and steps to local nature trails. The primary living space is finished to perfection with hand scraped hardwood, vaulted ceilings, oversized windows and an open concept design. The luxury chef's kitchen is truly the heart of the home, with an oversized island, granite, high-end appliances, built-in speakers and more. The dining space leads to the expansive deck overlooking the pool below, perfect for barbecuing and taking in the view. The master suite is positioned to afford the view and features a wardrobe room with custom cabinetry and spa-inspired ensuite with heated flooring, walk-in rain shower and soaker tub. Upstairs, you'll discover a second view deck and den/office or bedroom plus a full bathroom. The lower level walk-out is an entertainers dream with a large recreations space, family room, and wet bar which flows to the outdoor patio, pool, and hot tub. Two more generous sized bedrooms, a fourth bathroom, and unfinished space that could be finished to be used as a gym or multi-purpose area completes the floorplan. Designated extra vehicle, RV
