Looking for a suited home with a view, a garage, and a yard? Well it's finally here, and ready for you to move right in! Upstairs is beautifully renovated with a tile floor, quartz counters, and stainless appliances. A sunken living room and a gas fireplace round out the living space. You'll also find 3 bedrooms, including a master with its own ensuite. Step out onto the deck and enjoy the view, or break out the tools in the double garage. Downstairs you'll find a fully self contained one bedroom in-law suite, complete with its own laundry, fireplace, separate entrance, and even separate heating! The yard is fully fenced, so bring your pets! There's even access to the backyard from beside the house so you can park your trailer, RV, or boat. Whether you're looking for a home with a mortgage helper, a family home with room for the in-laws, or a great investment property, this is the one for you. Did I mention it's on a no-thru road and only about 15 minutes to downtown Kelowna? (id:6289)
