Brand new construction. Modern contemporary home with incredible lake view and a very functional layout for all of your families changing needs. Third bedroom on the main floor can be used as a bedroom or office. 1 bedroom legal suite PLUS a studio that can be used for extra income or guests! Have multiple families under one roof, guests, or income - the options are endless. In total, 7 bedrooms and 5 bathrooms. Main level living will include high end finishing, and an open concept layout with 12 ceilings throughout the great room. Enter the house to a 16' vaulted ceiling foyer area which leads into the great room with lake views and gas fireplace. The chef's kitchen will be equipped with a high-end appliances package, modern cabinetry, a large island, and a lot of extra cabinetry and prep area in the butlers pantry. Location is everything, situated in one of the most desirable Upper Missions Ponds neighborhood of Kelowna. This home is on a quiet cul de sac with no through traffic and is very near to canyon falls middle school. Incredible lake views with no one directly below the lot makes this home very desirable. Suspended slab with finished media room below, and an additional rec room on the lower level with a wet bar for all your entertaining needs. Finishings can still be selected by a Buyer. (id:7434)
