What an absolute "Show Piece"! The photos struggle to capture the special ambiance here! "AS NEW" in PRISTINE condition...wonderfully bright & open configuration with amazing natural light that is further enhanced by the raised ceilings & plethora of windows! Soft & pleasing colour palate...SPLIT Bedrooms to maximize privacy...TWO wonderful DECK areas to enjoy the SOUTH exposure & lovely LAKE views...INVUE is a very much preferred CONCRETE & STEEL building with all the exec amenities & in close proximity to shops/services/parks, etc! Roof Top POOL...Gym...Library...etc! Just "Turn The Key" & enjoy an Upscale Urban Lifestyle that we all aspire to... (id:3942)
