Meticulously maintained rancher located in the Lower Mission; one of Kelowna's most sought-after neighborhoods. A short walk to the beach, to schools and shops, this updated, spacious family home offers three bedrooms, three bathrooms, and cavernous dual garage. Contemporary and functional, this home features quality finishings throughout; luxurious cherry hardwood anchors the well-conceived living spaces and large windows and multiple skylights flood the home with natural light. The kitchen, with its ample pantry space is a chefs delight and the master bedroom features a sizable walk-in closet and 4-piece ensuite. Located on a quiet cul-de-sac, this .24 acre property has room both for RV and guest parking.
