MLS# 10226154

\$299,000

Perfect for DEVELOPERS as the neighbouring lot with a house is also for sale or keep it as an ideal holding property. This lot is in the final stage of the subdivision process, soon to be registered. So much potential with these two side-by-side parcels! This would make a great redevelopment project for the space to be utilized into what the RM2 Zoning allows. (id:3942)
