3 Bedrooms | 4 Bathrooms

A rare find! Imagine living in a centrally-located four-bedroom townhome in a family-oriented complex with easy access to schools, grocery stores, Okanagan College, beaches, and parks. Three generously-sized bedrooms are located on the upper floor, with the master having a walk-through closet, a jetted tub and a balcony for relaxing and watching the sun go down. The large fourth bedroom is located in the renovated basement along with a sitting area, large workspace, and ample storage. This fourth bedroom and sitting area could provide a quiet office for working remote or a haven for your teenager. A spacious open-concept living and dining room area includes a vaulted ceiling with skylights to provide lots of natural light. The living room opens onto a private patio and greenspace ideal for enjoying summer BBQs. A gas fireplace provides a cozy centerpiece for cool winter evenings. The main floor is completed by a recently-renovated kitchen, powder room and laundry. Two parking spots are available and the complex allows small pets. This beautiful home provides plenty of room for you and your family to enjoy all that Kelowna has to offer. (id:3942)
