\$749,000

3 Bedrooms | 4 Bathrooms

Black Mountain home on oversized lot with gorgeous orchard and mountain views PLUS a 1 bedroom suite. Bright living spaces w/ vaulted cedar ceilings. The house is 2500+ sq ft w/ 4 bedrooms and 2.5 bathrooms. The upstairs has 3 bdrms & 1.5 bath. Open concept with granite countertops that were just refinished w/ newer vinyl plank flooring. Newer roof. The upstairs kitchen has all new appliances including convection oven, dishwasher, double fridge & gas stove with high speed exhaust installed. The balcony has new vinyl & window railings as of 2018. There is also a wood burning fireplace upstairs plus a gas fire place insert downstairs. The outdoor space is a gardeners paradise with many outdoor seating areas, elevated garden beds w/ roses & perennials in addition to fruit trees on .25 acre land on Kirchner Mountain. Close to UBCO, airport, schools, Big White, etc. (id:3942)
