4 Bedrooms | 4 Bathrooms

Stunning lake views from this executive modern smart home with 4 spacious bedrooms, den on the main and 3.5 lavish bathrooms. No detail overlooked and every inch has been meticulous thought out and finished with elegance and comfort in mind. In-floor radiant heat throughout the entire home, fully-landscaped with infinity-edge pool & infinity-edge hot tub. Chef kitchen with Wolf & Sub-Zero appliances, solid surface counters throughout & warm oak hardwood on the main. Triple car garage has one bay designed for your boat with 10' overhead door & 12' ceiling. Spacious covered lake view deck with access from the master, great room & kitchen dining area. Ample main floor primary bedroom with spa-inspired ensuite complete with soaker tub, large steam shower & walk-in closet with convenient laundry. Bright lower level with 3 bedrooms (one with it's own private ensuite), 2 full bathrooms, large laundry room, family room with wet bar, grand glass wine room & direct access to the large covered patio & pool/hot-tub - this home is an entertainers haven. You will find the media room finished with state-of-the-art equipment and the gym complete with mirrored wall under the triple garage suspended slab. Interior designer has chosen a neutral palette, rich wood grains and dark metal to create a sophisticated, relaxing and comfortable home.
