\$824,900

5 Bedrooms | 3 Bathrooms | 2,864 Sqft

This absolute gem of a home really needs nothing. From the moment you walk in the pride of ownership is evident. Huge, bright kitchen with newer appliances, thick quartz tops, finished on-site hardwood, vaulted ceilings, fireplace, and a large partially covered deck. Downstairs features a generous in-law suite with access to the private, meticulously maintained, back yard. I could go on but the best way to really appreciate this home is to view it in person.
