\$670,000

2 Bedrooms | 3 Bathrooms

This Walk-Out Rancher with a basement has some great potential while having some nice new features recently installed. Not only take in the pleasant sounding views of the river below(fishing!) but enjoy the yard with its ample space for your toys and machinery. The garage has a shop area so youll never be stepping over your tools not to mention have plenty of room for storage. Far enough from town to really feel like youre away with privacy but if your a skier and Big White is your fancy then perhaps due to location this property is for you! A new Avro serviced well costing \$8000 was just replaced and has warrantee also a new pressure tank just for worry free water. Brand new dishwasher, brand new pellet stove(\$5000) and the septic was just done last fall. Large desk stays and as does the pool table downstairs. Call you personal realtor today, dual agency has gone the way of the Do-Do Bird! (id:3942)
