\$679,000

2 Bedrooms | 2 Bathrooms | 1,369 Sqft

Lock and leave oasis! 1369 sqft of high-end, lake house-inspired luxury design and finish! Located in the heart of the Lower Mission and mere steps to the water! There is a concrete wharf perfect for enjoying a glass of wine while you watch the sunset or a convenient spot to launch your kayaks or paddleboards! This executive suite has direct access out to the pool and hot tub and also boasts top-of-the-line motorized privacy and sun shades making the space perfect for year-round use! Inside you will fall in love with the well-thought-out and high caliber finish throughout, including custom millwork storage and a built-in workstation. Linear fireplace for stunning ambiance on our cooler nights. Massive custom glass and tile steam shower, for those extra cool days! The upgrades are endless and it's truly a property you need to see to appreciate all of the fine details that have been added to make this one of the nicest suites you'll find and in one of the best locations of the city! 2 side by side underground parking stalls with kayak storage and a separate storage locker make this truly the entire package and at this price, it **WILL NOT LAST!** Call today to learn more about this incredible opportunity to live the lake life but lock and leave!
