2 Bedrooms | 3 Bathrooms

Sunny and bright on the outside, this gorgeous victorian style home offers it all inside and out! This 3-bedroom, 2-bathroom apartment spans across 2-levels, 1,496 sqft, with the upper level solely for the expansive master bedroom plus a 3-piece bathroom. The entranceway brings you to a flight of stairs, guiding you to the second level. The main living level offers a large, renovated kitchen overlooking the turret-style dining area, providing plenty of natural light. A seamless flow takes you into the spacious living room. Finishing off this level are 2-generous-sized bedrooms, a full bathroom, and the laundry room. A great feature of this home is its location; within a short walk to all of Downtown Vernon's amenities and a short drive to all of Vernon's desirable attractions. This home offers excellent character and a blend of traditional and modern designs. Learn more about this property here: <http://bit.ly/3414A28Ave> (id:3942)
