\$625,000

3 Bedrooms | 3 Bathrooms

A rare opportunity to own your townhome in close proximity to Kelowna's vibrant downtown. Currently under construction to be completed this summer, this 1257 sq ft unit features 3 bedroom, 2.5 bath townhome which ticks all of the boxes. Kitchen, Living Room and Dining Room as well as in unit laundry, one parking spot with additional parking on the street. The location is ideal for those that are looking to have it all near your doorstep - transit, hiking, restaurants and retail amenities. Don't wait these won't last long! (id:3942)
