Welcome to 15 Lakeshore Drive in Parker Cove. A very affordable opportunity to live near the lake in the North Okanagan. This 4 level split home sits on a flat lot just across the street from the beach. It has an open plan main living area with vaulted ceilings, a skylight and a wood burning fireplace. The oak kitchen provides good storage and counter space. At the front of the home is a large closed in sun room with many windows allowing one to take full advantage of the lake view. The upper most level is where the master bedroom is located complete with a walk in closet and a 3 piece en-suite. On the lower level is a family room and the 3rd bedroom. Other features included a front deck with a fantastic lakeview, built in vac, underground sprinklers, patio area between the home and the garage, detached double garage plus more parking in front of it. This is a double lot with the lease paid up in full on both lots until 2043. A fresh coat of paint and some new flooring would give this solid home the lift it is ready for. (id:3942)
