\$535,000

2 Bedrooms | 3 Bathrooms

This charming 3bed and den 2bath East Hill family home is not only walking distance to the amenities of downtown but offers a private backyard garden for your quiet enjoyment featuring fruit trees, roses and flowering magnolia to name a few. Recently renovated, this open concept floor plan is perfect for family get togethers or entertaining. Living room boasts large windows and cozy fireplace. New kitchen with gas stove, stainless appliances and granite, new bathrooms, flooring and paint throughout are upgrades you are sure to appreciate. Sliding doors off dining to large covered deck offer year round delight. The master features modern gas fireplace and walk through closet to ensuite bath highlighted by the rain shower and body jets. Lower level offers suite potential/mtg helper with own entrance. Room for RV. Quite a bit of storage. Conveniently located near top elementary and preschools. This home is a great starter for 1st time buyers and those looking for the appeal of East Hill. (id:3942)
