Brand new exclusive 26 unit modern design condominiums close to downtown Kelowna, beaches and shopping. Bright, light, open concept design with high end finishings. Copper Beech was designed for those seeking fine living, privacy and quality. This Eco friendly all steel and concrete structure provides superior noise insulation and less depreciation compared to a wood frame building; thus keeping maintenance costs down long term. Low density quiet living set along the upgraded Ethel St Corridor makes this the ideal location for walking, running or biking. Pets allowed (no height/weight restrictions), rentals allowed, no age restrictions and prime location equals a smart investment! Each unit features seamless indoor/outdoor living space, private patios, quartz counters, high end stainless steel appliances, built in wine cooler, and thermal brake aluminum windows (reducing energy loss and providing superior durability). 2-5-10 year warranty. More units available. Contact our sales team to find out about the remaining units! (id:3942)
