\$1,299,000

4 Bedrooms | 5 Bathrooms

Located in the exclusive Blue-Sky subdivision of Black Mountain, this contemporary family home has it all! Panoramic views, close elementary school and even an exclusive 18-hole championship Golf Course. Gorgeous open concept chef's kitchen with giant pantry, wide hardwood planking throughout the entire house, large island with quartz counters, pull out spice racks and garbage/recycle bins, oversize fridge/freezer. Living Room/Dining Room is open concept with gas fire place, TV/Stereo hookups, and feature wall. Upgraded casement windows throughout. In addition main floor offers Master bedroom with en suite. 2nd floor has another luxurious Master bedroom with 4 pc ensuite, custom his/hers closet, and 2 more bedrooms, another full bath, convenient roughed-in laundry and rec room to large walk out sun deck. There's even a triple garage with e-charging station! Fully landscaped & Irrigated low-maintenance yard. Many other thoughtful features that need to be seen to be appreciated. (id:3942)
