Don't let "#2" fool you! This is a standalone home, with it's own yard! No strata fees, no crazy restrictions! Back in the day this property was simply stratified instead of subdivided. It is the perfect growing family home with 5 bedrooms and 2 bathrooms on a beautiful lot! Charmingly renovated with a full daylight basement. An EXTRA LARGE laundry room with tile flooring downstairs where you'll find plenty of room for storage, or a workout space. Could be converted into a second kitchen! The main upper floor has a great layout! The kitchen has lovely white tile backsplash, stainless steel appliances, and a breakfast bar. Find updated fixtures throughout, and attractive modern lighting. The back porch has a full awning for those hot summer nights, and overlooks your large private and fully fenced backyard, where there's an abundance of room for that trampoline or kids gym set! With oodles of parking, this home is super desirable! Call today for more info! (id:3942)
