HORSE LOVERS PARADISE This property is set up to bring your horses home! At 12.7 acres this property has it all: a rural setting with room for a garden and animals; and a stunning home with vaulted ceilings and large windows to take in the mountain views. It is fully fenced and cross fenced with 10 separate areas including 2 paddocks and 2 larger grazing areas, 2 loafing sheds and a barn with electricity, a hay shed, 2 yard pumps with electricity, automatic timers for lights at feeding time. The sellers of this home have thought of EVERYTHING! Recent well water report came back pure and there's a backup water system, generator and greenhouse. Listen to the birds sing and enjoy the fresh mountain air as you soak in your hot tub, or roast marshmallows around the fire pit. The walkout basement is perfect for guests or teens who want privacy. 20 minutes to Big White and 15 minutes to Costco. Heated garage with 14 ceilings. If you're looking for your own little piece of paradise to enjoy some serenity, this is it! (id:3942)
