\$334,900

2 Bedrooms | 2 Bathrooms

This fantastic almost 1100 sf unit offers 2 large bedrooms and 2 bathrooms with the master bedroom featuring a nice walk-in closet, and 5 piece en-suite. This unit has a modern kitchen with a breakfast bar and generously sized dining and living areas. Features include an electric fireplace, a large balcony with views. There is a conveniently located underground parking stall and storage unit along with a vehicle wash bay, bicycle room and workshop. Building amenities include an outdoor common patio, with lounge chairs and BBQ, private guest suite, clubhouse with a pool table and exercise room. Centrally located within walking distance to all amenities and transit. All Measurements are approximate and should be verified by buyers if deemed necessary. Quick possession is available.
