A rare find and a most beautiful spot to build your Okanagan Lake Dream Home. We offer you this 0.90 acre lot with 75 feet of prime waterfront. The top of the property is off of Westside road and slopes all the way down to Okanagan Lake. With the riparian setback requirements and the access road being so close to the water one might considering building a home higher up on the lot capturing a spectacular 180 degree lakeview. This freehold waterfront lot is accessed through a private gated no thru road shared by a total of 12 owners. There is power to the property. Septic and water permits would be required. Located about 30 minutes from Vernon. (id:3942)
