\$469,000

2 Bedrooms | 2 Bathrooms

Ideally located townhome style residence, minutes to downtown Kelowna, the rail trail, Apple Bowl, golfing and other conveniences! The open concept main living space boasts soaring two-storey ceilings and large windows. The kitchen is spacious with timeless cabinetry and flows to the dining and living space ideal for entertaining. A bedroom, full bathroom and patio are also found on the main floor. Upstairs, the lofted multi-purpose space could be a fabulous office, recreation space or guest area. The master bedroom is a generous size with mountain views and convenient access to the second full bathroom with a walk-in shower. Pet and rental friendly community in sought-after Glenmore!
