\$550,000

2 Bedrooms | 2 Bathrooms

Gorgeous top floor NE CORNER unit with mountain views. QUIET side of the building. Over \$160K spent in renovations using only the best quality materials and finest craftsmanship. Not a single corner was cut from top to bottom. From the moment you walk through the door you will be WOWED...from the white oak engineered hardwood, stunning vaulted ceilings, Taj Mahal Quartzite counters (throughout), and a well designed kitchen that will be the envy of any chef. The open concept kitchen, dining, and living space is perfect for entertaining. The main floor spacious master bedroom has a spa-like ensuite and large walk in closet. The second bedroom can be used as a den or guest room. There is a versatile lofted area that can be used for many purposes (rec room, office or more guest space). Amenities include a guest suite, secure underground parking and social/exercise room. Walking distance to all types of shopping, and proximity to the Mission Creek Greenway makes this one of the most desired locations in town. (id:3942)
