View Virtual Tours online. Incredible opportunity awaits with this unique building lot in an ideal location complete with a meandering and peaceful creek running through the property. A beautiful and serene area, this land is close to the ski mountain and abundant recreational opportunity. The spacious plot is level and flat, wonderful for residential building of all shapes and size. Further, OCP designates this land as Country Residential, allowing 5 acre parcels and allowing for subdivision. Whether you are in the market for a private and peaceful location to build the home of your dreams, or a lucrative investment opportunity, this property has something for you. (id:3942)
