3 Bedrooms | 4 Bathrooms

From the moment you drive through the majestic, remote operated & powered entry gate, you'll be enjoying your own private oasis! Not one, but 2 separate homes are included on one fabulous 4.93 Acre view property! The main house is your own private oasis, an incredible milled-log home with a fabulous heated saltwater pool, hot tub & cabana/bar area! This 4-Bedroom, 3 bathroom home features a fantastic 2500 sq ft main floor plan, with 3 of the 4 bedrooms on the main level and a 1-bedroom guest suite in the partial-basement! The chef of your family will appreciate the built-in charcoal grill, gas stove and a 2-sided floor-to ceiling rock wall that separates the kitchen from the Living Room area! There's a big formal dining room that fits your biggest Dining Room table! The Den is set up as a theatre room, or you could use it for a bedroom without a closet. The other Bedroom is spacious & bright. The Master Suite is over-sized and includes a walk-in closet and an incredible ensuite bathroom with a clawfoot tub, separate shower and a sliding door out to the pool area. Bring your horses, too! There's an amazing detached, insulated & heated 21x21 220V wired double /shop garage plus plenty of RV parking for your toys. The Second home is a 3-Bedroom, 1 Bath home with a separate driveway & address. Book your showing today! (id:3942)
