Welcome home! This is the quintessential family home you've been looking for! Located up on the Mckenzie bench, at the end of a no-through road and surrounded by great neighbours, while still only about 15 minutes to the heart of Kelowna, this location can't be beat! The home has a triple tandem garage perfect for storing the boat, toys, or creating a workshop for the handy-person in your home. There is flat backyard with plenty of room to get your feet in the grass, let the dogs or kids play, or just enjoy some peace and quiet after a long day and take in some of the view from up on the hill. The home is a unique split level home with 3 bedrooms up on the same level, 2 great sized living rooms for when the friends and family come over, and a brand new, freshly finish lower level which could become anything you want - a gym, a media room, a rec room, bring your imagination! A/C, Furnace, and Hot Water Tank were all replaced within the last 2 years. You won't want to miss this one! (id:3942)
