4 Bedrooms | 4 Bathrooms | 3,379 Sqft

Amazing lake views from every level! Throughout you will find large windows taking full advantage of the views and allowing all the natural light in. The kitchen features plenty of storage, high end stainless steel appliances including a wall oven, refrigerator, dishwasher and gas cooktop. Enjoy the large sundeck directly off the kitchen with gas bbq hook up overlooking the lake on one side and mountains on the other. Sunny all day! Three generous sized bedrooms upstairs and 4pc main bathroom. The master bedroom features a 5pc ensuite, walk in closet and sunny balcony overlooking the lake. This is a custom built home with a fully finished walkout basement. Could make a great Bed & Breakfast. Spacious in-law suite down featuring sleeping quarters, a 4pc bath, living room, kitchen and eating area. Roof is 1 years old, underground irrigation, fully landscaped, and a double attached garage with a flat driveway. Some additional features are central vac and central air/ac. Take a look at the virtual tour, and contact me with any questions. Enjoy! (id:7434)
