RARE OFFERING: Beautiful, level, 6.44 acre, horse property with cute updated 2 bedroom farm house, in this AMAZING South Kelowna location. Surrounded by orchards, vineyards, wineries, small farms and magnificent estates, yet only minutes to downtown Kelowna, the trails at the Myra-Bellevue Provincial Park and the beaches of Okanagan Lake. The property is currently used as a thoroughbred breeding farm with, proper V- mesh horse fencing, heated automatic waterers and shelter in every pasture. It is also fully irrigated, with underground lines and service hydrants. The newly built machine/hay storage and work shop building has power and lighting and is only 5 years old. The quaint 1940s farmhouse with newer flooring, fresh paint a newer gas fireplace; is perfectly livable, rentable or would work as place to live, until your new home could be built. Properties in this location don't come along often, here is your chance to own a piece of Paradise!! (id:3942)
