5 Bedrooms | 3 Bathrooms | 2,887 Sqft

This home was built by Klein Homes and is beautifully finished throughout. The spacious front entry leads to a den or bedroom and the stairs to the main floor. The open concept plan features engineered wood flooring, a large custom kitchen with island, walk in pantry, quartz countertops, tile backsplash, stainless steel gas stove, fridge, and a built-in microwave. The door off the kitchen leads to a covered patio and finished backyard with underground irrigation. The great room includes vaulted ceilings, fireplace with wood mantle and horizontal steel railings. The main floor has 3 bedrooms and a large laundry room with a barn door, cabinetry and laundry sink. The large master bedroom features a barn door to the 4 piece ensuite, custom tile shower and wall, tile floor and floating cabinetry with quartz countertops, under cabinetry lighting and a large walk-in closet. The additional 2 bedrooms share a 4-piece bathroom with a tub complete with wall tile. The spacious 2-bedroom suite has a separate side entrance and includes a large kitchen, master bedroom with a large closet, laundry closet and ventilation system. This home features an ICF foundation, wood beams which highlight the front door, two car garage and stairs to the backyard. (id:42016)
