If you have been searching for a rural retreat we may have found it for you! This 14.60 acre parcel of land is situated off a forest service road in the Goatfel area - between Creston and Yahk. The custom built home has only had one Owner, they raised their family on this property and have so many memories. Now it is time to let someone else enjoy the peaceful setting, living surrounded by nature. The style of the home is unique with lots of character, bring your own ideas to update it in a way that suits you. With two outdoor decks, and a charming gazebo for outdoor family meals there is lots of outdoor space to enjoy. A highlight of this property is the 28' x 30' detached garage / workshop with a large upper level to utilize as you wish. There are other outbuildings for added storage. From the sprawling lawns and meadows around the home to the forested natural state of the remainder of this property we think you will find a lot to like about this one. The Owners were just finishing getting the interior of the home ready for photos, we will add interior pictures as soon as they are ready. Call your REALTOR for more information! (id:42016)
